As a passionate aspiring engineer with a keen interest in technology, I am excited to dive into learning and demonstrating my skills. I welcome opportunities that match my abilities and interests and am eager to contribute to creative projects.

SKILLS

Technical Skills : C/C++, HTML, CSS, JavaScript, React.Js, Tailwind CSS, Next.Js, MongoDB, GraphQL, Firebase

Soft Skills : Teamwork, Adaptability, Communication, Problem Solving

Tools : Git, Dev C++, VS Code, Canva , Figma, Vercel

PROJECTS

Personal Portfolio Website (JavaScript, React.Js, Tailwind CSS)	Live Demo	Code
<ul style="list-style-type: none">Engaging Introduction: The landing page features a captivating introduction, welcoming visitors to explore my skills and projects.Project Portfolio: Dive into my world of projects! Each project is elegantly displayed with live demos and direct links to the source code on GitHub.Particle Animation: Experience a visually stunning background animation powered by the react-tsParticles library, adding a touch of creativity.		
Weather Forecast Application (JavaScript, React.Js, Tailwind CSS, API)	Live Demo	Code
<ul style="list-style-type: none">Real-Time Updates: Stay informed with up-to-the-minute weather data for your location.Visual Delight: Immerse yourself in the current weather conditions with beautiful background images reflecting the atmosphere.Responsive Design: Enjoy a seamless user experience across devices with an elegantly crafted and responsive design.		
EduTech E-Learning Platform (React.Js, Next.Js, TailwindCSS, GraphQL)	Live Demo	Code
<ul style="list-style-type: none">Developed an engaging landing page using JavaScript, React.Js, and Tailwind CSS, providing an intuitive interface for users to discover and explore available courses.Implemented a dynamic 'All Courses' section with filterable options, enhancing user experience and making course selection seamless.Engineered a personalized dashboard enabling users to track enrolled courses and monitor completion progress, while also integrating a smooth membership purchasing process.Leveraged modern technologies, including GraphQL for real-time data fetching and HyGraph for the deliver content as data through APIs.		

EDUCATION

Bachelor of Technology , (Uttarakhand Technical University)	2021 - 2024
Computer Science and Engineering	
Diploma , (Roorkee College of Engineering)	2017 - 2020
Mechanical Engineering	

CERTIFICATION

The Complete JavaScript Course 2023 : From Zero to Expert! The Complete JavaScript Course 2023: From Zero to Expert!	(Show Credential)	Udemy
SkillUp Web Development	(Show Credential)	Simplilearn
Responsive Web Design	(Show Credential)	freeCodeCamp
